SUMMER COACHING CAMPS 2012 (8-15 year olds)

Weeks Commencing

Mon. 16th July / Mon. 23rd July / Mon 30th July August / Mon 6th August

All from 10.00 a.m. - 3.00 p.m.

(You will be able to change your week nearer the time if the one you book now becomes inconvenient)

Following the success of the scheme over many years Holmesdale continue to run four weeks of Summer Cricket Camps this year. All activities will be run by Kim Melbourn, our Senior ECB Qualified Coach.

The success of Holmesdale's Cricket Camps has been founded on the players enjoyment of the game. Our young players make new friends and experience the skills, thrills and spills of cricket. There's lots of action and fun with coaching points delivered through games play and matches.

Players can take on the skills challenge of the England & Wales Cricket Board's Proficiency Scheme and try to win a Bronze, Silver or Gold award and, if successful, they will receive a badge at the end of the week to mark their achievement. Experienced 'old hands' can develop their skills further by trying for a higher level badge than last year.

Cricketers should bring their own packed lunch each day. The cost of each week will be £100 (per person inclusive of Club membership for the week), cheques made payable to Holmesdale CC.
